A Message from UNION OIL & GAS and TEAVEE OIL & GAS

April is National Safe Digging Month!

It's Springtime! This means we'll be spending time outdoors working on gardens and other home improvement projects. Before you begin any outdoor project, don't forget to think about utility line safety.

Do you know that a simple job like planting a tree in your yard can jeopardize your safety? Many energized utility lines are buried just a few feet below the surface.

Digging, trenching or excavating without knowing where lines are buried could be costly ...and fatal.

Calling 811 before you dig gets the utility lines marked for free, and helps prevent undesired consequences.
